

## Round Two Race Report

---

### Round two of the Mitas Tyres Bucket racing Championship held at Sydney Motorsport Park South Circuit on 26th May 2019.

Edward Marsden #83 Hondas RS85cr leads Baden Jones #67 Moriwaki 85, Stuart Ellis #57 Yamaha YZFR 150, Shane Wilcox #68 Honda RS85cr followed by first of the Superlites Ryan Phillips #25 Honda CB185.

On cool overcast morning the competitors prepared for the days racing. To the dismay of many a light drizzle started up just before practice and with the track neither wet nor dry practice / qualifying was treated with some caution. All this despite the weather forecast being dry and sunny for the day. However by the time race time came around a steady breeze was blowing and lo and behold the sun appeared as promised by the weather forecasters.

In the end it turned out to be a brilliant incident free days racing with officials, scrutineers, flaggies and riders working together excellent team work.

### Motolites

#60 Jason Dunn made a welcome return to the series and proceeded to reel off three masterclass races scoring maximum points on the day. However the battle for the podium positions was intense with #68 Shane Wilcox (Honda RS85cr) Edward Marsden (Honda RS85cr) and #67 Baden Jones (Moriwaki MH80) fighting it out in the three

races. In the end Shane got second place by one point over Edward with Baden finishing fourth, a fine ride on the aging Mori.

## Round Two Race Report

Fifth #57 Stuart Ellis (Yamaha YZF150) who's showing no signs of slowing down. #94 John Olip (Moriwaki MH80R) came in sixth. Next up came #17 Michael Child (Supermono 197) a DNF didn't help Michael.

## Superlite PRO

Superlite PRO as usual put on some great racing.

With two young aces #25 Ryan Phillips (Honda CB185) and #19 Connor Hunter (Honda CB185) joining the Superlite ranks there could be a bit of an upset to the established runners this season.

Race one #65 Tim Smith (Honda CB185) and #38 Junior Murphy (BBE Honda CB185) finished first and second seemed like business as usual but in the next two races the young guns made their mark with a win each. Overall results for the Superlite PRO Class Ryan pipped Tim by one point with Connor third and Junior in fourth. Next came #62 Jim Murphy (Honda CB185) and #98 Zac Perrington (Kawasaki KH100)

### Commuterlite AM

Easily the largest field in Bucket racing Commuterlite AM never fails to provide plenty of exciting racing. #45 Chris Young (Yamaha YZF125) proved the man to beat with two firsts and a second. #73 Daniel Florance (CBR125) consistency payed off netting him second place and #37 Luke Young (Honda CBR125) with a second a fifth

and a sixth finished third just two points ahead of the fast improving #102 Kim Watt (Honda CBR125).

#77 Brent Dawson (Honda CBR125) winner of Round one at Wakefield Park got off to a bad start with a DNF in Race one but redeemed himself with a second and win in the remaining races to claim fifth overall and he retains the Commuterlite AM championship lead. #48 Ben Hamer (Honda CBR125) had a trouble free ride into sixth followed by #74 Paul Lucas (Honda CBR125). #76 Craig Dawson (Honda CBR125) damaged his results with a race one DNF but recovered with two competitive third places to finish eight. Good to see #84 James Wain (Honda CBR125) back to finish ninth one point behind Craig.

#85 Mike Warner CBR125 #222 Andrew Hollier (Honda CBR125) and #29 Jason Davies (Yamaha YZF125) enjoyed their first days racing in Commuterlites.

A big welcome to Bucket racing to all the newcomers.
